PUBLIC HEALTH ANNOUNCEMENT

Following the resurgence of the previously considered eradicated Polio virus and its detection within its national territory, the Government of the Republic of Cameroon in collaboration with the World Health Organization (WHO) aiming to contain any further propagation of this virus, have taken the following measures as part of the internationally coordinated response to check its spread.

From **JUNE 2014** to **DECEMBER 2014** all Air, Land, Sea travelers to Cameroon, including residents of Cameroon shall;

- a. Take a vaccine against polio prior to any international travel
- b. All visitors to Cameroon exceeding four weeks must be vaccinated against polio,
- c. All proof of vaccination shall be indicated in the International Vaccination certificate.
- d. Vaccinations in Cameroon will be carried out at all Internationally recognized centers, Regional headquarters, and health posts at all frontiers notably at International Airports and Seaports
